Concede che i monaci possano eleggersi il loro Abate, ordina che i beni dell'abbazia siano applicati ai soli monaci, e che la detta Abbazia [illegible] coloro che volontarj si sottomisero alla detta Chiesa.

In Christi nomine Amen. Hoc est transumptum cuiusdam privilegii domini Karuli gloriosissimi Imperatoris Concessi Monasterio Sancte dei genitricis et Virginis Marie de Sexto Aquilegensis diocesis et monachis eiusdem monasterii. Cuius tenor sequitur in hec verba. In nomine domini dei eterni et salvatoris nostri Jhesu Christi. Karulus divina ordinante providentia Imperator augustus. Imperialem celsitudinem cum electa predecessorum suorum pie facta, non solum inviolabiliter conservare, sed etiam censura sue auctoritatis alacriter confirmare. Idcirco omnium fidelium nostrorum comperiat industria tam presentium quam futurorum. quia vir venerabilis Albinus abbas Monasterii sancte Marie de Sexto, detulit nobis, inter ceteras auctoritates quandam preceptum predecessorum nostrorum regum. et ab eisdem confirmatum. in quo silicet conscriptum repperimus. predictum Monasterium in eorum tenere tuitionis auctoritate fore constitutum. humiliter deposcens, quatinus sub eadem immunitate nostram adderemus auctoritatem. per quam idem monasterium nostro imperiali precepto firmo semper munite consistere valeret. Cuius quidem precibus nos assentientes hanc nostre auctoritatis preceptionem circa idem monasterium decrevimus. per quam firmiter sancimus atque summo studio iudicimus. ut ecclesia monasterii sancte Marie Sextensis cum rectoribus suis rebusque ipsius in quibuscumque locis vel territoriis positis tam de largitione regum. seu principum. aut iudicum seu aliorum divinam remunerationem intuentium, quam nunc possidere dinoscitur. vel in antea acquirere potuerit sub nostra Imperiali defensione tam presentibus futurisque temporibus permaneat. In super etiam quod nullus publicus Castella vel villas seu ecclesias aut quelibet predia ipsius monasterii, que infra regni nostri dicionem nunc tenet, quam que deinceps deo annuente adquisierit. ad causas audiendas. vel placita exercenda. vel freda exigenda. seu hospitalitates faciendas aut fideiussores tollendos. aut homines ipsius ecclesie ingenuos vel servos super eiusdem terram residentes distringendos, nec ullas redibitiones vel illicitas occasiones requirendas ullo umquam tempore ingredi audeat. edicto Imperialis maiestatis decrevimus et decernendo omnino interdicimus. Ceterum memorato Abbati suisque successoribus res predicti monasterii sub nostre defensionis cura immune absque omni molestatione liceat possidere. Et quicquid exinde fiscus noster poterit sperare. id eidem ecclesie omnino pro respectu divine recompensationis [illegible] nostro concedimus. ut in elemosinis pauperum et stipendiis monachorum ibidem deo deservientium cottidie proficiat in augmentum. utque eorum oratio nobis acceptabilior interveniat ad dominum. Et si quando divina institutione supradictus Abbas vel successores eius ab hac luce migraverint. ipsa congregatio communiter Abbatem qui eos secundum regulam regere valeat eligendi licentiam habeant. Ammonemus etiam Abbatem qui in presto est. eiusque successoribus Imperiali contradicimus ne res stipendiarias alendis monachis dedicatas de sinu monasterii rapiant. et secularibus. vel aliis in beneficium tribuant. Quia pia religio proclamat. ne servi dei tribuant in opus. et qui non debet [illegible] Siquis autem Abbas in cautela aut temere quod sancimus infregerit. quod in iuste tribuit et secularibus [illegible] nostrorum successorum sententia roboratum emendet. quod suus antecessor admisit. Adhuc etiam placuit [illegible] si male facta in melius reformare noluerit. et nequeunt. [illegible] et membrum fractum diminuto consolidet. Et si [illegible] liberis vel famulabus aliarum ecclesiarum scilicet maiorum vel minorum. que se famulis predicte ecclesie monasterii voluntate copulaverint. per hunc nostri precepti auctoritatem nobis de famulis eiusdem monasterii diffinitiones facere. videlicet de feminis liberis vel famulabus [illegible] sine omni contradictione [illegible] in violabiliter possideat. Verum si quis amodo quod futurum non credimus. Patriarcha. vel Episcopus. vel Dux. vel Marchio. vel Comes. seu aliquis publicus administrator aut privata persona adversum nostri precepti scripta insurgere aut qualibet occasione violare presumpserit quinquaginta libris auri puri et probatissimi se compositurum esse puniendum medietate eidem Ecclesie solvendo et medietatem palatio nostro. Et ut hec Imperialis precepti concessio certius credatur. et per futura tempora diligentius firma conservatione teneatur. manu propria subscripsimus. et Anuli nostri impressione sigillari Jussimus.
